

The Garden Club of Ocean Ridge Presents

The Lewis & Clark Trail Presentation

Tuesday, February, 21 at 7:00 P.M. in the Ocean Ridge Town Hall Chambers

The Garden Club of Ocean Ridge invites you and your friends to a talk on The Lewis and Clark Trail on February 21, 2012 at 7:00 P.M. in the Ocean Ridge Town Hall Chambers. The talk will be presented by Florence and Tony Chatowsky, a couple that have hiked and camped along The Trail. They will be bringing examples of the flora and fauna indigenous to the area. The presentation will be accompanied with slides and personal experiences of their historical and interesting trip.

In 1803, President Thomas Jefferson picked Meriwether Lewis to lead an expedition through the Northwest. Lewis was instructed to “explore the Missouri River and such principal streams of it... which may offer the most direct and practical water communication across this continent for the purpose of commerce.” After 2 1/2 years, Lewis and Clark reached Washington State having successfully completed their mission. Their trip was filled with great hardships en route encountering hostile and friendly Indians, wild animals, near starvation and hundreds of waterways traversing through 10 states. The Lewis and Clark Trail today offers families, individuals, and groups exciting hiking and historical adventures in an effort to become better acquainted with this vast country we are proud to call “home”.

We welcome each and everyone of you to be our guests for this wonderful opportunity to hear more about The Trail. ALL ARE WELCOME AND ADMISSION IS FREE.

For questions regarding the event and to RSVP, please call Dana Beach at 561-601-8202 or email at danabeach@me.com.
