Residents:

Some time during the past week, three homes located in the area of the Woolbright Bridge were broken into by a person or persons at this time unknown.

A canvas of the area has not turned up any suspects.

None of the three houses had activated burglar alarms.

Your Police Department again requests that at any hour of the day when leaving your home set the alarm.

Should you see anything that you consider to be strange or suspicious, please call the police at once.

Thanking you in advance,

Chief Edward Hillery
