KENNETH M. KALEEL
MAYOR, CHAIRMAN OF COMMISSION

KENNETH N. SCHENCK, JR.
TOWN MANAGER

COMMISSIONERS
DR. LYNN L. ALLISON
BETTY P. B. BINGHAM
TERRY BROWN
GEOFFREY A. PUGH

To our Ocean Ridge Residents:

Listening to the many complaints from residents regarding the influx of the noseems, the Town Commission voted on May 3, 2010 to amend the budget to incorporate spraying for these pesky pests. Fleming Pest Management, Inc. will begin spraying this week and continue through September on a once a week (Thursdays or Fridays depending on weather) basis, where needed. Traps will be used to determine where the spraying needs to be continued to reduce unnecessary spraying. Based on the results of the spraying the subject will be discussed as a part of next year's budget. The spraying will be accomplished through the use of backpacks and hand spraying in the backyards that are adjacent to the mangroves as they are the hiding place for the bugs. They will **not** be spraying from a truck as was done in the past for mosquitoes. The areas to be sprayed are on the west side of A1A between Inlet Cay Dr. and Woolbright Rd. where there are mangroves. If you live in this area and have not signed an authorization to spray or given us verbal approval we would appreciate your calling Town Hall and confirming your approval. **As before if anyone objects to the spraying in their backyard please let us know and we won't spray in your yard.** We trust this will improve the lifestyle in Ocean Ridge. If you have any questions please call Town Hall at 561-732-2635 or call Fleming Pest Management, Inc. at 561-371-5643.

A letter plus authorization form is being sent out to the residents who are within the spraying area because we do not have an authorization form on file or objection to spraying on file. You can expect this letter in your mailbox in a few days. You can hand deliver, mail, or fax your response to 561-737-8359. Thank you.

Sincerely,

Ken Schenck
Town Manager
