NOW THEREFORE, BE IT ORDAINED BY THE TOWN COMMISSION OF THE TOWN OF OCEAN RIDGE, FLORIDA, AS FOLLOWS:

SECTION 1 – Findings of Fact: The **WHEREAS** clauses set forth above are adopted herein as findings of fact.

SECTION 2 – Amendment: Chapter 66 “Environmental Regulations”, Article I “General Provisions, Sea Turtles and Wetlands” Section 66-1 “General Provisions”, is hereby amended to read as follows:

Sec. 66-1. - General Provisions.

.....

- (c) *Pervious area.* At least ~~25~~ 35 percent of any contiguous buildable lot area shall be maintained in a natural or landscaped state pervious to rainfall in order to recharge the aquifer and otherwise minimize runoff. Pervious areas shall not include patios, swimming pools, decks, driveways and any other impervious surface. See article IV of this chapter for plant material details.

.....

SECTION 3 – Amendment: Chapter 67 “Buildings and Building Regulations”, Article III “Technical Codes and Other Construction Standards” Section 67-33 “Drainage, required; swales; construction of driveways”, is hereby amended to read as follows:

Sec. 67-33. - Drainage, required; swales; construction of driveways.

.....

- (c) *Trench drains; required.* A trench drain, as used herein, is any drainage structure approved by the building code administrator for the transport of runoff, which is below grade, and which crosses a driveway or other impervious structure, and which also allows for the collection of runoff from the surface elevation. It may include perforated pipe, a grade and trough, or other approved means. Trench drains along a property line shall connect to an existing or new drainage system. Any construction or reconstruction of a driveway, other than resurfacing, patching or top dressing, shall require the placement of a trench drain across the driveway at a suitable point where the driveway crosses the public right-of-way, if surface swaling is either insufficient to carry the drainage flow, or the angle of elevation of the driveway without a trench drain would otherwise impede normal vehicular use.

SECTION 5 - Repeal of Conflicting Ordinances: All Ordinances, Resolutions or parts of Ordinances and Resolutions in conflict herewith are hereby repealed.
