## **COVID-19 Update #24 May 9, 2020 at 1:00 PM**

The Board of County Commissioners will meet next Friday to finalize beach re-opening plans. They have set the tentative date of May 18<sup>th</sup> to re-open our beaches for County residents only. This date is subject to change.

Governor DeSantis approved Palm Beach County to enter phase one of re-openings beginning Monday, May 11<sup>th</sup> (this does not include beaches yet). Some of the businesses that can reopen at a 25% capacity are restaurants, in-store retail sales establishments, museums, hair and nail salons and barber shops.

Please continue to practice social distancing as required. Facial coverings continue to be highly recommended while in public places. We ask residents to remain vigilant in helping to keep our community safe.

**Sincerely,**

**Town Manager Tracey Stevens and Chief of Police Hal Hutchins**
