COVID-19 Update #13 April 7, 2020 at 11:00 AM

The Governor's "Safer at Home" Order is in effect until April 30th. Please remember that this is an order, not a suggestion. Please review the Town's website for more information regarding COVID-19 and the orders issued by the Governor and Palm Beach County.

A new testing site has opened at the South County Civic Center in Delray Beach. If you have symptoms of COVID-19 and would like to be tested at that location, you must call 561-804-0250 for pre-screening and an appointment. Palm Beach County Officials will be holding a press conference today at Noon regarding the new testing facility.

Due to increased concerns regarding pedestrian safety on Old Ocean Blvd, we will be closing the road for local traffic only. Please seek an alternate route.

A new type of phishing scam has been discovered warning people that they've come into contact with someone who has been infected with the coronavirus and are at risk of being infected themselves. The email, which is crafted to appear as though it has come from a legitimate hospital, instructs users to download a malicious attachment and proceed immediately to the hospital. This is a scam and you should never click on any links or attachments from unknown sources.

Remember, at this time, only **you** have the ability to limit your exposure in the spread of COVID-19. Please act responsibly and stay home in order to protect yourself and those around you.

Tracey L. Stevens, Town Manager

Hal C. Hutchins, Chief of Police
