COVID-19 Update #15 April 10, 2020 at 5:00 PM

In line with other towns in Palm Beach County, the Town Manager has signed an emergency order recommending and strongly urging that every person working, living, visiting, or doing business in the Town of Ocean Ridge to wear a cloth facial covering consistent with the current CDC guidelines while in a public place, in the public rights-of-way, or on a construction site. Repeating, please immediately begin wearing protective face coverings when outside and away from your primary residence in order to protect yourself, your neighbors, and the Town of Ocean Ridge first responders and personnel.

All people should avoid the utilization of surgical masks or N95 rated masks as those are critical supplies for health care workers, police, fire, emergency management, or other persons engaged in life and safety activities.

We appreciate your full cooperation in trying to stem the flow of this virus in our community. Please continue to follow social distancing guidelines and wash your hands frequently.

Important COVID-19 updates and information from several sources are available for review on the Town's website.

Tracey L. Stevens, Town Manager

Hal C. Hutchins, Chief of Police
