COVID-19 Update #19 April 21, 2020 at 11:00 AM

Please visit the Town's website to view instructions for attending the April 21, 2020 Special Town Commission meeting by teleconference that will be held at 2:00 p.m. today. Instructions are located in the agenda package that is posted on the "Meeting Agendas and Minutes" tab on the home page.

We thank the community for your continued efforts in social distancing and wearing masks in public in an effort to slow the spread of coronavirus. We realize that residents are looking forward to the day they can begin enjoying the wonderful community of Ocean Ridge again. Although we are not there yet, rest assured that the Town is working with Palm Beach County on plans to begin re-opening **in the future** as the data supports reducing restrictions. We thank you all for your patience during these difficult times, and ask that you remain vigilant as we work through these delicate procedures. Our goal continues to be the safety of our residents.

Sincerely,

Town Manager Tracey Stevens and Chief of Police Hal Hutchins
