COVID-19 Update #20 April 26, 2020 at 10:00 AM

The Re-Open Florida Task Force launched a public comment submission portal open to all Floridians. Public feedback will be a critical component of the Task Force's final report to Governor Ron DeSantis. All interested Floridians are encouraged to submit their ideas regarding the safe re-opening of Florida's economy on any topic including the impacts to small business, healthcare, education, tourism, agriculture, retail, recreation, sports and construction. Please visit the Town's website at www.oceanridgeflorida.com for more information.

The Town continues to work with Palm Beach County on plans to begin re-opening in the future when the data supports reducing restrictions. We thank you all for your patience during these difficult times, and ask that you remain vigilant as we work through these delicate procedures. While we know everyone is anxious to get back to normal, our goal continues to be the safety of our residents, and we are working on safe procedures for easing restrictions.

Sincerely,

Town Manager Tracey Stevens and Chief of Police Hal Hutchins
