COVID-19 Update #21 April 28, 2020 at 11:00 AM

Palm Beach County Officials held a press conference yesterday outlining the first phase of limited recreational re-openings in our county beginning Wednesday, April 29, 2020, which includes the opening of boat ramps, marinas, golf courses, parks (excluding beach parks), natural areas, tennis courts and community pools with strict restrictions. All beaches and beach parks remain closed at this time.

County Officials warned residents that if the restrictions and CDC guidelines are not followed including social distancing, they will be forced to close recreational areas once again. Please do your part in educating yourself regarding the restrictions by reading the County Order, including Attachments. Palm Beach County Order Number 2020-005 may be viewed on the County's website at www.pbcgov.org or the Town's website at www.oceanridgeflorida.com. County orders are enforced by the Palm Beach County Sheriff and all local law enforcement agencies in Palm Beach County.

While we know everyone is anxious to get back to normal, our goal continues to be the safety of our residents. We are working with County Officials on safe procedures for easing restrictions in other areas, and we thank you for your patience as we work through these delicate procedures.

Sincerely,

Town Manager Tracey Stevens and Chief of Police Hal Hutchins
