COVID-19 Update #26 May 28, 2020 at 8:00 AM

Town Hall will open to the public beginning June 1st. To protect both visitors and Town Staff, visitors entering Town property will be required to wear a facial covering. Anyone refusing to wear a facial covering, and anyone with presence of fever, cough, or shortness of breath will be prohibited from entering the building, and should call Town Hall for assistance. Visitors will be asked to strictly adhere to social distancing guidelines, use hand sanitizer, and provide their own pen.

Town Commission and all Board meetings will be open to the public beginning June 1st. Attendees must wear a facial covering and use hand sanitizer upon entering the building. Seating will be limited due to social distancing guidelines, and will be available on a first-come, first-served basis. Teleconferencing will still be available until further notice to those that wish to attend remotely, and for those that could not attend physically due to seating capacity being reached, or those who do not wish to attend due to an underlying medical condition.

As a reminder, persons accessing the beaches shall follow CDC guidelines by distancing themselves from other persons by 6 feet or more, and limit gatherings to no more than 10 people. Parking, unloading, and passenger drop off is prohibited along Old Ocean Boulevard and A1A.

Sincerely,

Town Manager Tracey Stevens and Chief of Police Hal Hutchins
