COVID-19 Update #7 March 27, 2020 at 3:00 PM

As of today, there are 2,900 positive cases of COVID-19 in Florida, with 194 of those located in Palm Beach County. Palm Beach County Officials are strongly urging residents to stay home in order to remain safe and healthy.

Waste Pro, the Town's Garbage & Recycling Service Provider, remains fully operational. However, with a significant spike in trash and yard waste, they are asking residents to temporarily stop placing large piles of trash (not garbage) and yard waste out for collection. Containerize or bag all material to reduce potential contact with the coronavirus by waste handlers.

We will continue to update the public with new developments as things progress. Please visit the Town's website to view all COVID-19 updates and information from several sources, as information is updated and posted frequently. And as always, the best source of information on COVID-19 can be found at www.cdc.gov or www.flhealth.org.

Stay safe and Healthy!

Tracey L. Stevens, Town Manager

Hal C. Hutchins, Chief of Police
