PROJECT: 6083/6081/6073 E. Anna Street Seawalls and Anna Street Seawall	
PROJECT NO: 00020.10	DATE: 01/12/2021
CONTRACTOR: Murray Logan	ARRIVAL TIME: 2:00 pm
TYPE OF OBSERVATION: Seawall	DEPARTURE TIME: 2:30 pm

OBSERVATIONS:

Durrani and I met the contractor Ed O'Leary onsite. The project continues to move forward at a swift pace. Sheet piles appeared to be installed in front of the first three properties just south of Anna Street.

Ed promised us that he will submit the landscaping plans for both Anna and Edith Street as soon as he receives them.

The Town is in receipt of the permit application for 6059, 6057, and 6029 Old Ocean. Ed is working on the permit application for Anna Street.

Staff to continue to monitor the progress.
