## **COVID-19 Update #23 May 6, 2020 at 1:30 PM**

We continue to receive numerous calls regarding beach re-openings. The Board of County Commissioners will meet on Friday afternoon, May 8<sup>th</sup> to review recommendations regarding beach re-openings. Although we currently do not know the timeframe for re-openings or what the restrictions may be once the beaches are re-opened, we will update the public immediately upon confirmation.

Please remember that social distancing continues to be extremely important. Facial coverings continue to be highly recommended while in public places, and will be especially important when re-openings begin to occur within our community. We ask residents to remain vigilant in helping to keep our community safe.

**Sincerely,**

**Town Manager Tracey Stevens and Chief of Police Hal Hutchins**
