COVID-19 Update #6
March 26, 2020 at 3:00 PM

Palm Beach County Officials issued Emergency Order Number Two closing all non-essential retail and commercial businesses in Palm Beach County, and Emergency Order Number Three closing all parks and golf courses. Both of these orders are in effect for Palm Beach County including Ocean Ridge and all other municipalities. For more information regarding these orders, please visit the County's website at:

<http://discover.pbcgov.org/coronavirus/Pages/Updates.aspx>.

The Town Commission held a special meeting today for the sole purpose of adopting a resolution authorizing the Town Manager to declare an emergency as necessary.

In these ever changing times, please use extreme caution. The Police Department continues to receive information about multiple telephone and internet scams being conducted regarding the COVID-19 virus. There are many entities requesting donations or offering cures and supplies over the internet, many of which are scams or not reputable. Only you can protect yourselves from these scams.

We will continue to update the public with new developments as things progress, and encourage residents to sign up for Civic Ready emergency alerts at this time in order to receive notifications immediately as they are published. Please visit our website at www.oceanridgeflorida.com to view all past COVID-19 updates and information.

As always, the best source of information on COVID-19 can be found at www.cdc.gov or www.flhealth.org.

Stay safe and Healthy!

Tracey L. Stevens, Town Manager

Hal C. Hutchins, Chief of Police
